Description:

Rare map of the Niagara and Erie Rivers, connecting Lake Ontario and Lake Erie, from Michel-Guillaume Saint Jean de Crèvecoeur's *Voyage dans le Haute Pennsylvanie et dans l'Etat de New York*, published in Paris in 1801. The map shows Fort Niagara, Fort Chippaway, Fort Erie, and a host of other inhabited places along the Rivers and roads on either side of the Rivers in very fine detail, along with 6 sailing vessels. A terrific and highly detailed map of the period, from this rare travel book.
