Description:

Striking double hemishpere map of the World, including the latest discoveries.

Shows California as an island, unknown southern continent and partial New Zealand and Australia. The map also includes the mythical land bridge between Japan and the West Coast of North America, and early Great Lakes projection.

Detailed Condition:

Old Color refreshed. Some soiling along centerfold and toning in the eastern hemisphere. Small areas of restoration in lower cartouche, affecting the area to the right of the word "Presente" in title.
