Stock#: 2925
Map Maker: Anonymous

Date: 1700 ?
Place: Paris
Color: Hand Colored
Condition: VG+
Size: 6.5 x 5 inches

Price: SOLD

Description:

Scarce map of the world, showing California as an Island and an unknown NW Coast of America, with extra wide version of South America and Hennepin interior of North America. The map also shows much of the Coast of Australia in a marvelous although very speculative format, and New Zealand, attached to Terre Magellanique (the speculative Antarctic Coast). A fascinating map, illustrating much of what was then thought to be cutting edge cartographic details.
