Description:

Rare map of Southeast Asia, Philippines and India, which appeared in Jean Picart's *Tresor des cartes Geographiques*, published in Paris.

Picart's map is based upon Jansson's map, published in his *Atlas Minor* in 1628.

The map provides a fine detailed treatment of the region and perhaps most notably, a very curious treatment of the Philippines.

The map is extremely rare, with no appearances in AMPR in the past 30 years.
