### Description:

Rare map of Russia, which appeared in Picart's *Tresor des carte Geographiques*, published in Paris.

Picart's map is based upon Boisseau's map of the same region, which in turn copied the map from Jansson's *Atlas Minor* in 1628. The first French version of the map was published by Jean Boisseau in 1643, followed by this rare map by Picart, first published in 1651 and later by Jollain.

The map is extremely rare, with no appearances in AMPR in the past 30 years.
