Description:

Rare promotional broadsheet map, advertising the Ontario & St. Lawrence Steam-Boat Company's mail and express line routes from Albany to Niagara Falls, Buffalo and Montreal.

The map includes a list of the Company's Trustees and the routes by which mail was disbursed through the region, including rail lines, stage lines and steamers.

Includes a vignette of Niagara Falls and Table Rock, with smaller steamer vignettes on several of the routes along Lake Ontario.

The map and broadside are quite rare. OCLC locates two examples, both at the New York State Library.
