Description:

Scarce first edition of *Johnson's Washington & Oregon*.

The map is hand colored by counties. Washington wraps around Oregon to the east of the Oregon State line, including the yet to be formed Idaho Territory. Includes many Indian Tribes, Forts, roads and early topographical notes. A few early counties east of the Cascades are just appearing, including Skamania, Walla Walla, Josephine and Wasco.

One of the great early ephemeral state/territorial configurations of the Northwest. An essential map for collectors of the region.
