Price: SOLD

Description:

Rare 18th Century harbor plan of the La Coruña Bay on the Galician Coastline of Spain.

The map was prepared under the direction of the French Depot de la Marine, showing soundings, coastal features, towns, anchorages, the primary channel through La Coruña Bay from La Coruña to Ferrol, the fortified harbors and other details.

The map is very rare on the market, this being the first example we have ever seen for sale.
