### Description:

Exceptional old color example of Blaeu's map of Holy Island, heightened in Gold, from his *Atlas Maior*.

Attractive map of Holy and Farne Islands off the coast of Northumberland. Farne Island is shown with the Tower and on Holy Island a fort and abbey are visible. The mainland is devoid of detail except for a few cities and castles. The map is decorative with a strapwork title cartouche and the royal coat of arms.

A fine example, with wide margins.

### Detailed Condition:
