Description:

Detailed map of the southern Alaskan Coastal region from Vandermaelen's landmark Atlas, showing the Russian and Canadian Coastlines from Yakult Bay to Queen Charlotte's Island.

An amazing work and a must for regional collectors. Perhaps the most detailed map of the region produced to that date. From Vandermaelen's remarkable 6 volume atlas, which if combined as globe gores forms an immense globe. Vandermaelen accomplished the first atlas mapping of the world on a uniform scale. His treatment of the Western US is a landmark in the history the cartography of the Western US, undertaking to map in 20 sheets a region which American publishers were virtually ignoring.
