Description:

Rare separately published map of Asia, published in Madrid.

Unlike most 18th Century maps published in Spain, which are based upon non-Spanish sources, the present map is not based upon French sources but is, instead, drawn from German sources, crediting "Mr. Hacio, Profesor de Maematicas, En la Universidad de Wittemberg," a reference to Johann Matthias Haas (1684-1742), who made maps for the Homann Heirs publishing firm.

Detailed Condition:

Minor toning and a small dampstain in the lower margin.
