Description:

Highly detailed regional map of Western Australia, extend from just east of Esperance Bay to the border with South Australia. Pt. Dover, Pt. Culver, and other places named, along with lots of topographical notes. Several minor wormholes, but still an excellent example of this early and highly detailed regional map. From Vandermaelen's remarkable 6 volume atlas, which if combined as globe gores forms an immense globe. Vandermaelen accomplished the first atlas mapping of the world on a uniform scale.
