Description:

Rare map of Ohio, hand colored by counties, published by Fielding Lucas Jr. of Baltimore.

The map shows early roads with distances, towns, rivers, etc.

A nice example of Fielding Lucas' fine work, which distinguished him as the best publisher of the era. Lucas's maps are highly desirable and increasingly scarce. His maps are printed on a higher quality paper than contemporary maps by Carey & Lea and demonstrate a superior engraving quality and more attractive coloring style. A fine example of this map, issued by one of the most important early American publishers, which is now virtually unobtainable in atlas form and rarely appears on the market in individual maps.

Detailed Condition:

Minor toning and fading.
