### Description:

Highly detailed map of Nebraska, showing counties, townships, towns, railroads (named), railway stations, rivers, lakes, etc. Very primitive early western counties. A considerable amount of early Indian information is also shown, especially in the west. Includes a number of Indian Villages and Agencies and several ranches, including the Snake Creek Ranch and the Merchants and Wheelers Ranch. One of the most detailed maps of the state from this period. From the first widely published atlas by Rand McNally, predated only by the rare pre-1880 editions.
