### Description:

Finely executed topographical map of Yosemite National Park, published by the National Park Service in 1939.

Shows early roads (paved and dirt), along with other natural and man-made features. The various campgrounds in the park are shown, as are hotels and other tourist structures no longer in existence. Ranger Stations and Telephones are also noted.

A number of smaller inset maps show directions to Yosemite, regional maps, etc.

### Detailed Condition:

Folding promotional brochure map.
