Map Maker: Tavernier / Bertius
Date: 1639
Place: Paris
Color: Hand Colored
Condition: VG+
Size: 14.5 x 11 inches
Price: SOLD

Description:

Rare map of Asia by Melchior Tavernier, based upon an earlier map by Petrus Bertrius.

Extremely detailed throughout. Shows the Great wall, oddly projected Korea, Japan and China and elephant just about the source of the Ganges. Writing about the America map from the same source,

Philip Burden notes that this was a rare separately issued map, which was apparently also bound into a few contemporary French books, including D'Avity's *Le Monde*.
