Description:

Detailed City map of San Diego, with a map of Southern California on the verso.

The map was published by Rodney Stokes, likely shortly after the mapping of Pacific Beach.

The detail in Imperial County and East San Diego County on the verso is of note, with many short lived communities along the San Diego & Arizona Railway line. The naming of the line (SD & A RR) suggests a date prior to the sale of the line to the Southern Pacific Railroad, which changed the name to San Diego & Arizona Eastern Railway.
