### Description:

Scarce and highly detailed map of Arabia, which appeared in Thomas Salmon's *The universal traveller: or, A compleat description of the several nations of the world*, published in 1752-53 in London.

The map gives credit to the Count de Maurepas' map of the Eastern Ocean, which likely refers to the following sea chart published in France: [{{ inventory\\_detail\\_link\('37822'\) }}](#)
