### Description:

Fine large format map and view of Batavia (Jakarta), published in Nuremberg by Homann.

The map covers Jakarta and its environs. The various types of land use are shown, along with a comprehensive index and a text concerning the history of the city. Along the top, decorative galleons are shown, along with anchorage points.

At the bottom is a large view of the fortified city from the water, along with smaller views of VOC Governor General's residence and the town hall.
