Description:

Antique engraved map showing the route of French missionaries to Siam.

The map apparently appeared in Bourges's "Relation du voyage de Monseigneur l'évêque de Beryte Vicaire apostolique du royaume de la Cochinchine, Par la Turquie, la Perse, les Indes, &c. jusqu'au Royaume de Siam & autres lieux".

This is the first state, lacking the decorative elements in the title block at the top of the map.

This map represents early contact between France and Southeast Asia.
