### Description:

#### *The first map of the Crescent City Area*

Nice example of the first separate map of Crescent City and Crescent Harbor, published by the United States Coast Survey.

The chart includes sailing directions, notes and other details. The Light House on Light House Island is shown, along with soundings, islands, etc.

In addition to a plan of the town of Crescent City, the "Wagon Road to Mines" and a "Brick-kiln" are also located.

### Detailed Condition:

Minor discoloration at folds, trimmed into neat line.
