**Mapa Enciclopedico de la Republica Argentina por Jose Cavalaria Ingeniero 1951**

**Stock#:** 45432  
**Map Maker:** Cavalaria  
**Date:** 1951  
**Place:** Buenos Aires  
**Color:** Color  
**Condition:** VG  
**Size:** 21 x 30 inches  
**Price:** SOLD

**Description:**

Highly detailed pictographic map of Argentina, by Jose Cavalaria.

The map includes a blank pictorial cartouche at the top right, suggesting it may have been intended as an advertising promotional map, where the promoter would add details in the cartouche.

Interesting array of historical, commercial and other information.

**Detailed Condition:**

Minor fold breaks, repaired on verso, with some minor loss at the intersections.
