Description:

An Iconic Rock 'n Roll Poster Map of California

Lively illustrated map of California by artist David Schiller, with the Jefferson Airplane hovering over the Sierras.

David Schiller was one of the kings of rock art, producing album covers and posters for many 1960's bands and venues: The Beatles, The Monkees, Jefferson Airplane, Buffalo Springfield, creating many incredible Fillmore posters for most of the great psychedelic rock bands of the 1960's.

True to its Rock 'n Roll roots, The Doors are shown playing a concert in North LA and the ubiquitous Jefferson Airplane is flying overhead.

Many California landmarks shown in caricature.
