Description:

Rare sea chart of the northern portion of the Strait of Malacca, from Laurie & Whittle's East India Pilot.

The chart includes rhumb lines, depths, shoals, a compass rose and a detailed inset, "Plan of Poolo Pinang, now Prince of Wales's Island, with its straits and harbour...".

The coast lines are illustrated with topographical cross sections.

Published in "The East-India Pilot, or Oriental Navigator, on One Hundred and Eighteen Plates: Containing a Complete Collection of Charts and Plans, &c..." The chart is based on the 1745 French "Neptune Oriental" by Jean Baptiste Nicolas Denis d'Apres de Manneville, supplemented by English navigators.
