Fascinating WWII broadside propaganda map, published in India, in order to keep the local populous informed about the War.

The map shows the primary and secondary supply lines in the Pacific.

We have been unable to discern who the C.P.D were, but we do know that they were located somewhere in India, and were responsible for this W.N.R. series of World War II propaganda maps, published from circa 1943 to the end of the war.
