La Partie Septentrionale du Languedoc

Stock#: 48600
Map Maker: Anonymous
Date: 1630 circa
Place: Paris ?
Color: Outline Color
Condition: VG+
Size: 14 x 18 inches
Price: \$ 375.00

Description:

Unrecorded map of the northern part of Languedoc, based upon Henricus Hondius's map of the same region.

Our research of the map turns up on source information. The example in the National Library of France is attributed to Hondius, but this is clearly printed with a difference copper plate. The most obvious difference between this map and the Hondius map is the lack of embellishment surrounding the coast of arms below the title cartouche.
