**Description:**

Interesting early map of Virginia, from the German edition of Mallet's *Description De L'Univers*.

The map is based upon Augustine Hermann's map of 1673 and later maps of the region. Extends from the Saquesahanoug R in the North to Pomejok and C. de Trafalgar in the South, and inland along the Powhatan R and Toppoahonoc R. Jamestown is located, as is Smythe's Island.
