Description:

Detailed map of the area between Watsonville and Parjaro in the north and the Carmel River and Laureles in the south.

The focus of the map is the New Castroville Road from Monterey to Castroville, Watsonville and Chittendens, with the road tentatively shown to Sargents, and another tentative road from Salinas to Sargents.

We date the map based upon the appearance of the Pajaro Valley Railroad, which operated from 1890 to 1927.
