## Lines of Pacific Electric Railway and Motor Transit Company in Southern California

**Stock#:** 50637  
**Map Maker:** Pacific Electric Railway / Eddy  
**Date:** 1938 circa  
**Place:** Los Angeles  
**Color:** Color  
**Condition:** VG+  
**Size:** 15.5 x 7 inches  
**Price:** SOLD

### Description:

Striking map / birdseye view of the lines of the Pacific Electric Railway.

Includes a number of small towns and recreational areas not often seen on printed maps.

We note that this map has fewer routes noted than a 1935 edition which we have, hence the dating is an estimate.

### Detailed Condition:
