### Description:

Nice example of Hondius' map of Tartary, China, Korea and adjacent regions.

Shows the Great Wall of China, Korea as an Island, a very early example of the northwest coast of America, naming Cape de Fortuna and the Straits of Anian (overlooked by Burden), an incomplete Nova Zembla and a host of other details. Extends west to include the Black Sea and Russia, but the primary focus of the map is Tartaria, Central Asia and Asiatic Russia. Decorative vignettes include a nomadic tribe, tents and livestock.

An early map of the region and certainly one of the most decorative of the genre.
