Facies Poli Antartici ex recentissimis itinerariis descripta...

Stock#: 5329
Map Maker: Weigel
Date: 1720
Place: Nuremberg
Color: Hand Colored
Condition: VG+
Size: 14 x 12 inches
Price: SOLD

Description:

Interesting and nearly completely conjectural map of the South Pole from Davide Kohler's *Descriptio Orbis Antiqui*...published by Weigel in 1720. The map shows the prevailing belief in a massive southern hemisphere, which extended to just south of the Straits of Magellan and Le Maire, both of which are shown on the map. An interesting retrospective projection.
