Size: 11 x 8.5 inches

Price: SOLD

Description:

Rare separately issued map of San Francisco by Gus Schneider, USNR.

The map was apparently first issued as the cover artwork for a guide to San Francisco for a United Nations Conference in 1945.

The present example is a reduced size version of the original, published for a clothier in San Francisco by the name of Hastings and includes a list of hotels and military services on the back side. We have also seen this map in black print.
