Size: 28 x 18 inches
Price: SOLD

Description:

Scarce map of the World, showing a graphic depiction of America's trading partners.

The amount of trade with each of the major trading partners is shown with a pie chart, with Britain, the West Indies, Japan and Hawaii being our major trading partners.

Even in 1896, there was a major trade imbalance with Japan, China, Indian and Southeast Asia, although the US exported more to Mexico than it imported in that year.
