Description:

Rare map of America, which appeared in a British Geographical Text.

The map shows the Bay of the West, Russian discoveries on the Northwest Coast of America and other conjectural information relating to a possible Northwest Passage.

The map appeared in:

The young lady's geography; containing, an accurate description of the several parts of the known World... compiled from the writings of the most eminent authors... To which is prefixed, an introduction to geography...explained in so concise a manner, as to render the whole perfectly easy to be attained without the assistance of a teacher... London, Printed for R. Baldwin, in Pater-noster-Row, and T. Lowndes, in Fleet-Street, 1765
