Description:

Highly detailed map centered on Timor and extending north to the Iles Calaur, including a number of neighboring islands. Many islands and other place names are shown. A number of small wormholes near the centerfold, but in all a nice example of the map. From Vandermaelen's remarkable 6 volume atlas, which if combined as globe gores forms an immense globe. Vandermaelen accomplished the first atlas mapping of the world on a uniform scale. Offered as a pair with #3127 for \$595.00 while both are available.
