Description:

A Rare Miniature Map of America

Striking map of America, featuring the Island of California.

The map shows Regio Incognita, along with a landmass reaching from Japan to Fretum Anian off the California coastline.

The shape of Florida is quite unusual and Virginia is also quite distorted.

Nova Guinea, Carpenteria and Quiri Regio are shown in the general vicinity of Australia.

This is a variant state, with "pag. 640" at the top. McLaughlin identifies "pag 642."
