**(Arkansas) Why Work For Low Wages . . .**

*The country is well timbered and watered with numerous springs and clear running streams. The climate is excellent and health conditions are the very best. No swamp or overflow lands, and crop failures unknown. No irrigation necessary. Hogs and cattle fatten eight months of the year on the open forest range without grain.*

The promotional details include a note that the company does not sell land, "WE SELL INFORMATION, and our INFORMATION is out stock in trade."

**Detailed Condition:**

Minor soiling and some manuscript additions.
