**Description:**

***Claude Sicard's Map of Egypt***

Detailed map of Ancient and Modern Egypt, published in Paris by De Vaugondy.

The map is based upon the reports of Father Claude Sicard (1677-1726), a French Jesuit priest and early modern visitor to Egypt, between 1708 and 1712. Sicard produced the earliest known map of Egypt during his time as the Supervisor of the Jesuit Mission in Cairo.

Large decorative cartouche.
