Description:

The Western Gateway of American Commerce

Scarce colored promotional map of the San Francisco Bay area, which appeared in the *San Francisco Chronicle*, in December 1893.

The map focuses on the railroad and ferry routes in the Bay area, with emphasis on the topographical features of the region.

This is the first time we have ever seen the map, which was likely a publisher's supplement.

The map was drawn by the Swiss Artist Leon Boillot, who also published a work on the Gold Mines of the Klondike in French! (*Aux mines d'or du Klondike : du lac Bennett a Dawson City*, Hachette & Cie, Paris,
