Map Maker: Smith
Date: 1824
Place: London
Color: Hand Colored
Condition: VG
Size: 14 x 10.5 inches
Price: SOLD

Description:

Post-Adams Onis Edition

Detailed map of North America, illustrating the boundaries of North America, shortly after the Adams Onis Treaty established the boundaries between Mexico and the United States.

The map illustrates features which give away its political view, most notably the boundary between Canada and the United States running below Puget Sound on the West Coast.

The mythical rivers in the west drain Lake Timpanogos and "Salt Lake" to Pacific Ocean, running just north of the equally mythical Rio de St. Felipe.

The single cordillera of the Rocky Mountains separates the regions explored by Lewis & Clark.

From Smith's *General Atlas*.
