#### Description:

Rare full original color example of this early map of Michigan Territory and adjoining regions, published by S.A. Bradford.

Michigan proper is shown with counties in the southern half, the north being Ottawa and Michilmackinack lands. To the west of Lake Michigan is a region oddly subdivided and called *District of Huron and Attached to Michigan*, which extends to the Mississippi. It notes the Crawford County (comprising most of Minnesota), Mississippi and New York Land Co. Tracts, Carver's Tracts, Chippeway County and Michilimackinac County (both reaching to the Mississippi River), Brown County (comprising most of Wisconsin), and a square identified as Green Bay.

East of Lake Huron, the London District, Home District, New Castle District and Midland District are shown.

Locates forts, towns, lakes, mountains, rivers, and names early counties. A marvelous transitional map.
