### Description:

#### *Snow & Roos' Rare 1868 View of San Francisco*

Rare bird's-eye view looking southwest from San Francisco Bay across city to Pacific Ocean and down peninsula. The waterfront area includes numerous steamships, sidewheel steamships, sailboats, sailing ships, ferries, etc. The robust activity on the docks and wharves is in evidence.

The entrance to the Bay is at the far right.

The present example was purchased at auction in 2018. Prior to 2018, there are no published auction records for this view going back more than 50 years.
