### Description:

Detailed map of Oahu, from the Hawaiian Territorial Surveys.

The map was compiled from government surveys and from private surveys by John M. Donn.

The legend identifies by color a number of different land uses, including:

- Public Lands
- Sisal Plantations
- Homestead Settlement Tracts
- Grazing lands
- Pineapple lands
- Federal Reservations
- Sugar Plantations
- Forest Reserves and other forest lands
- Wet lands

Schools and post offices are also located.
