Stock#: 60919
Map Maker: Bellin
Date: 1764
Place: Paris
Color: Hand Colored
Condition: VG+
Size: 6.5 x 8.5 inches
Price: SOLD

Description:

Striking example of this fine map of St. Vincent, from Bellin's *Petit Atlas Maritime*. The map is beautifully detailed in the French 18th-century style, showing hills, roads, rivers, and more.

The map shows the island of Saint Vincent, part of the Lesser Antilles. Most famous today for its active volcano La Soufriere, the 1760s were a changing time for the island. In 1763, it passed from the French to the British as part of the Treaty of Paris, with whom it would remain until independence.

The map was published in Paris by Jacques Nicolas Bellin, one of the foremost French maritime cartographers of his time.
