Description:

Striking map of America, published by Santini, in Venice.

The map shows a massive Sea of the West with the entries thereto discovered by Juan De Fuca in 1591 and by Martin D'Aguilar in 1603.

The map reflects the sighting of land near what would become Easter Island, by an English Captain named Davis in 1685 (noted as 1687 on this map), along with Quiros's discoveries in the Pacific in 1605.
