Description:

Striking full color example of Waghenaeer's map the French Coastline, from Bordeaux to Poictou, with the Islands of Ile de Re and Oleron, centered on La Rochelle

Waghenaeer was a Dutch pilot who produced the first set of effective navigational charts, under the title *Spiegel der Zeevaerdt*.

These gorgeous charts, engraved by Baptist and Jan van Doetecum, embody the latest contemporary knowledge of navigation and position finding and set the standard which was followed for more than a century. Waghenaeer's charts are magnificent works of art, which are highly sought after by collectors.
