Price: SOLD

Description:

Decorative map of North America, published in 1774.

The map extends west to include Texas and much of the supposed course of the Missouri, north to a mythical set of lakes referenced as the supposed location of the Sea of the West.

Includes Indian Place names and several early French forts west of the Appalachians, along with a number of early placenames in the South and near the Great Lakes, including Toronto and Detroit.

Detailed Condition:
