**Date:** 1763  
**Place:** Livorno  
**Color:** Uncolored  
**Condition:** VG+  
**Size:** 10 x 7.5 inches  
**Price:** SOLD

### Description:

Highly detailed map of the Great Lakes from the increasingly rare Gazzatiere Americano. The map's nomenclature is entirely in Italian, and illustrates the Great Lakes region and region north of Lake Superior and Lake Huron. A number of forts and Indian Tribes are named. An excellent map for Great Lakes collectors. Not in Karpinski.

### Detailed Condition:
