### Description:

Nice example of this fine map of Haiti and Santa Domingo, from the second edition of Carey & Lea's Atlas.

The map is surrounded by details on the island, its soil, climate, history, populations, city information, government and a host of other historical and political details. Carey & Lea's Atlas is highly prized not only for its cartographic information, but also for the marvelous information about each of the states and territories which is included. The atlas was issued in 6 editions in English, French and German between 1822 and 1827.
