Description:

Rare Ernest W. Watson Pictorial Map

Fascinating pictorial map celebrating 300 years of High School Education in America, published by the Home Economics Department of the American Can Company.

The artist, Ernest W. Watson, is an American artist and author of great note. A full biography is set forth below. This is apparently his only map.

High points in secondary education depicted for each state. Inset map includes additional high spots in the progress of secondary education.
